Laxmi Bai Nagar, New Delhi

SUMMER CAMP 2022

Let's Have Some Fun In The Sun

Summer Camp is about growth and accomplishment, not just to keep the kids busy.

'Somewhere inside all of us is the power to change the world' and this quote of Ronald Dahl has come true in letter and spirit by our Education Department. Under the guidance of our consultants, Mr. Praomod Kumar and Ms. Richa Kalra, alongwith our higher officials in NDMC, a new venture of 'SUMMER CAMP' was organized in Atal Adarsh Vidyalaya, Laxmibai Nagar from 11.05.2022 to 03.06.2022.

The closing ceremony of Summer Camp was organized on 01.06.2022. Honorable Director (Education) was the chief guest of the day. He enjoyed the function and appreciated the students' efforts and shared his valuable suggestions. Other invitees were the SMC members and other parents.

The wide variety of craft exhibits like flowers, masks, invitation cards, mobile covers and much more, made using waste material, by our students were displayed in the exhibition. Folk Dance performances like Bhangra and Langvir Nritya, song performances, story presentation by our students were the cherry on the cake. All the students have enjoyed this Summer Camp.

Once again thanks to all NDMC Education Officials for their support in making this camp a great success.

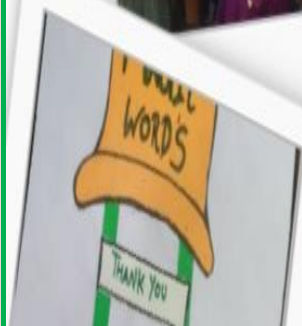

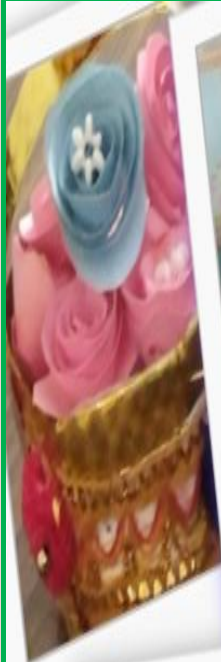

Now have some glimpse of the closing ceremony and the students' work and activities during the camp.

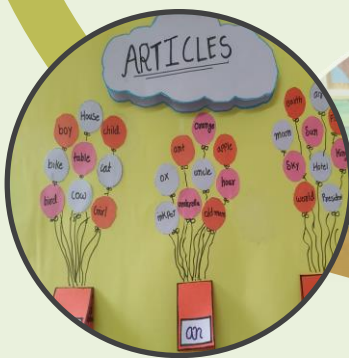

Closing Ceremony 01.06.2022
